5 June 2022
Ministers Paragraph

I was watching the video for Joe Cocker singing the Beatles song "Come Together" from the movie *Across the Universe* this week.

You can see the youtube video here:
https://youtu.be/wH6eiCJ9SDs

It's a very cool version but I am drawn to the journey of the character Jo-Jo who is trying to find his place in this new city while encountering all these different singers and dancers peddling their own brand of life. Whether it is corporate, communal, alternative street or seedy nightlife.

The metaphor I hear is the one of *coming together* and I can imagine God's voice chiming in "over me." It is good to come together in the presence of God for Him and with Him. If you are present with us or are connecting online because of distance or safety we are grateful to have you with us and I am grateful to be a part of this beautiful community of faith together.

Rev Jas
