3 July 2022
Ministers Paragraph

"A journey of 1000 miles starts with a single step and a broken fanbelt…"

Our journey for the next few months is being framed by the image of "Legacy." It will shape our preaching and our response and hopefully our collective sense of discovery leading up to our 150th Celebration Weekend on the 25th of September 2022.

We intend to understand the Legacy we have received, the Legacy we are creating and the Legacy we are passing on to those who come after us. How this impacts us as individual followers of Jesus and how this shapes us as a collective community of faith. As a Church we can engage as little or as much as we feel comfortable with but I'm confident at the end of this time together we will all feel a little more connected to our past as much as we are excited about shaping our future.

"One generation shall commend your works to another, and shall declare your mighty acts."
Psalm 145:4

God Bless
Rev Jas

The Spiritual Life

We mostly spend our lives conjugating three verbs: to want, to have, and to do. Craving, clutching, and fussing, on the material, political, social, emotional, intellectual – even on the religious – plane, we are kept in perpetual unrest: forgetting that none of these verbs has ultimate significance, except so far as they are transcended by and included in, the fundamental verb, to be; and that being, not wanting, having, and doing, is the essence of a spiritual life. Evelyn Underhill

"CAMEOS" By Edna Neville (Aunt Haysl).

We judge ourselves by what we feel capable of doing, while others judge us by what we have already done.

If you want to be happy, be happy now. There is no certainty of tomorrow.
