## Ministers Paragraph

"The fear of the Lord begins with a conviction that God exists and that He rewards righteousness and punishes sin." This can happen both in this world and in the world to come. It may be slow but it will happen!

Rev Bob.

Dear friends,
let us love one another,
because love comes from God.
Whoever loves is a child of God
and knows God.
Whoever does not love
does not know God,
for God is love.
And God showed his love for us
by sending his only Son
into the world,
so that we might have life
through him….

Dear friends,
if this is how God loved us,
then we should love one another.

1 John 4

**Celery:** to keep celery fresh for a couple of weeks, wrap in aluminium foil and keep in the fridge.

**Vegetables:** Try wrapping your vegetables in aluminium foil. This helps keep them fresher for longer.

## MONEY SAVERS

In a notebook, write down the items you buy a lot, the price and where it's cheapest. You can save up to $10 on just one item.

Stock up on specials at the supermarket, even if it's something you don't need right now. Big savings can usually be made on cleaning products and meats, which can be frozen.

Dilute dishwashing liquid into a 1 litre squeeze bottle, with one part dishwashing liquid to 1 part water.

## DID YOU KNOW?

You can stop baking paper from curling on a tray by wiping the tray with a damp cloth.

To keep a thermos hot for longer, put it inside two wool socks. You'll be amazed at the difference it makes.

Store jars of leftover food upside down in the fridge to stop mould from growing.
