Ministers Paragraph

Crema Café

We are leasing out part of the front yard of the church to Crema Café from April. They will have a couple of fitted out 20' containers where they will be operating until either the completion of their new premises further up High St or when we are ready to commence the development of our new Church facilities.

I like the idea of being able to partner with our community in ways that are mutually beneficial. Crema can continue operating while their facilities are being developed and we are able to use our assets to generate extra income and show Christian hospitality to those outside our Church. Win-win.

It's not exactly welcoming the foreigner into our homeland, but there is a sense of being able to help those in need: "The foreigner residing among you must be treated as your native-born. Love them as yourself, for you were foreigners in Egypt." Leviticus 19:34

Prayer for our friends:

Money Savers:

BABY WIPES

Use baby wipes to remove the stains from a car's interior and will shine the dash area.

DUSTY PLACES

A $2 paintbrush from a discount store will clean dust from the air vents of your car, the filter in your vacuum cleaner and numerous other fiddly places.

DECORATING

When you are decorating on a budget, wait until your local hardware store sells its mis-tint cans of paint. They are often available, and always at least half the price of normal cans.

Handy Hints

KEY FINDER:

Stick fluorescent tape on your car and door keys to find them more easily in your handbag.

GROCERY TIME:

To save a mess in the boot of your car when taking home the groceries, put a couple of cardboard boxes in the boot and put the bags in them – they are cheaper than crates.

STOP SEA SICKNESS:

When travelling by sea, place a piece of cotton wool in your left ear and you will never suffer from sea sickness. It has to do with equilibrium and really does work.

WINDOWS AND MIRRORS

Sprinkle a little vinegar on a damp cloth and wipe over windows after cleaning to keep flies away.
