Our Basket

Paul writes in his first letter to the church on Corinth, "When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me." (1 Cor 13:11 NIV)

When you become an adult you get given a basket. Into this basket go all your thoughts and reasonings. Your responsibilities, emotions, dreams, regrets, your baptism, your behaviours and the consequences of your behaviours. This is your basket and as we mature we realise that for the best part we need to own this. We also realise that we don't have to accept what others dump in our basket and that we cannot dump our own wants, needs, dreams, hurts into the basket of others without their permission.

How is your basket today?
