

2nd June

Roof Shout, 10am, 14th of June.

The purpose of a roof shout is for the Church to honour and celebrate the work and effort of the Construction team by shouting them morning tea as a way of saying thank-you. On Friday 14th of June, we are shouting morning tea for the Construction team, (the builders, the contractors, the Building Team, the Project Managers and the architects.) A big thanks to Joan Shearer and those helping for managing the morning tea.

AS AN ADDED BONUS! The Builders are opening up the worksite for a short period for us to have a quick tour of the project, to see the developments and hear progress to date. For Health and Safety reasons we need to comply with all safety requirements meaning we need to have closed footwear and be on stable footing. If you require a walker or walking stick you can come in but will need to arrange a wheelchair and someone to bring you through.

To have a look through the current project we are meeting in the front of the church by the King Street entrance at 10am. We will take tours through and have a cuppa and hear a little about the current status of the build. Exciting times! For any questions, contact either myself or Alon.
