Something weather related for us...

Isaiah 55:10 – Promise of God's Word and Provision

"As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater."

This verse beautifully captures the essence of winter's role in nature's cycle. Just as snow nourishes the earth, God's Word enriches our souls, ensuring spiritual growth and nourishment. The imagery of snow in this verse is a reminder of the silent but profound impact of God's promises in our lives, much like the unseen growth beneath the winter snow. – Marisa D'Amore
